

### The Little Engineer Who Could (Overcoming Fears)

When Eddy Engineer goes to do his job one day, his friends realize that something is wrong. They help Eddy discover that his fears are holding him back.

4 puppets : sheriff, cowgirl, engineer, boy; CD w/ recorded script and teacher's guide.

**504** Overcoming Fears Set **\$105.95 / set**

keywords : overcoming fear, solving problems

(Food stick puppets can be made using the color print outs included on the CD).

### Making Healthy Choices

A friendly chef helps children learn to make healthy nutrition choices. Kate, an active girl who eats healthy foods, encourages Tyler, a video game, couch potato junk food fan, to eat right and feel better about himself.

3 puppets, CD w/ 2 recorded scripts and music, teacher's guide and black line masters for 8 food puppets.

**503** Making Healthy Choices **\$91.95 / set**

keywords : nutrition, health, obesity

specify skin tone

### Look for the Good in Others

Harry Monster is mean and ornery because he's an ugly monster and people expect ugly monsters to act that way.

A little girl helps him to see that he is beautiful on the inside, and that's what really counts. She sings a delightful song to help him learn to smile.

2 puppets, CD w/ recorded script and music, teacher's guide .

**508** Look for the Good in Others **\$59.95 / set**

keywords : self esteem, happiness, judging others

### Nursery Rhymes that Teach Values

Mr. Cow learns that he has no talent for playing the fiddle like his friend Mr. Cat, but discovers his talent for jumping. At the neighborhood talent show he is so good, he jumps over the moon!

Just one of the many delightful stories in this set.

12 finger puppets, CD w/ teacher's guide .

**506** Nursery Rhyme Set **\$24.95 / set**  
**506CD** CD sold separately **\$10.95 / ea.**
